## About Our Camp

If you like to play drums, move, create your own songs, make music on all kinds of instruments, and meet new friends, this is the camp for you!

Come and join us for a day of creative music play. Our day camp is based on the Orff Schulwerk philosophy of music. We are a dedicated group of music educators who believe strongly in the power of music to change children's lives. It is through music that students learn to be creative.

To us, music is a whole body experience involving movement, playing instruments, singing and creating. So don't delay, sign up for a great day of meeting new people, making music and having fun!
